MOTORHOME Warranty

MOTORHOME

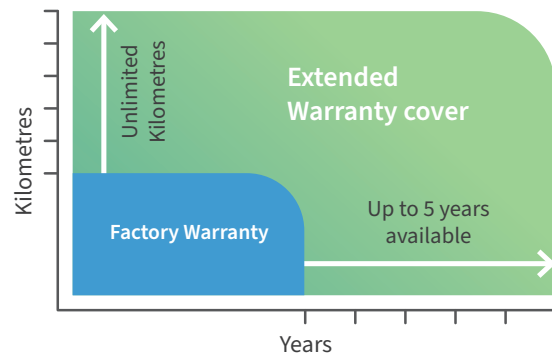

Warranty

Purchasing an extended warranty for your motorhome is almost as important as purchasing the motorhome itself.

Once the Manufacturer's warranty cover expires you are potentially exposed to significant costs of rectifying any mechanical or electrical breakdown.

As motorhomes get older, components are more likely to fail and it won't be just the cost of replacing a part, there'll be the labour charge of fitting it as well – it all adds up.

The option of choosing an Extended Warranty may reduce the financial impact of unexpected repairs.
