# TRUCK Warranty

# TRUCK Warranty

Purchasing an extended warranty for your truck is almost as important as purchasing the truck itself.

Once the Manufacturer's warranty cover expires you are potentially exposed to significant costs of rectifying any mechanical or electrical breakdown.

As trucks get older, components are more likely to fail and it won't be just the cost of replacing a part, there'll be the labour charge of fitting it as well – it all adds up.

The option of choosing an Extended Warranty may reduce the financial impact of unexpected repairs.

## Additional benefits

### Accommodation

Receive \$150 per day up to the maximum claim limit towards the cost of accommodation in the event your truck breaks down\*

### Truck

Up to \$100 towards the cost of towing in the event your vehicle breaks down\*

| Product Level              | Level 1              | Level 2  | Level 3  |
